

CAPE YORK

SAFARI

21st – 31st August 2010

CARDWELL TO CAPE YORK TO COOKTOWN

"It is one of Australia's premium icons and affectionately referred to as "The Top". We are calling it our CAPE YORK SAFARI. As history has it, many early explorers failed to understand its remoteness and isolation only to fall on hard times.

That is why you need to join the Pacific Rim Just For Kids Children's Charity 2010 Motor Trail. A fully supported Charity Tag A Long with an extensive history of successful events, we take all the worry out of preparing for such a unique trip. There is safety in numbers and your day to day activities are well organised in advance. Most meals will be catered for by our professional chefs, you can taste the Bara now.

With all the hard bits done by us you can enjoy the wonders of the Cape and explore this wildly beautiful land and discover the culture of the Peninsular and the Torres Straight Islands. Bring your humour, walking shoes, camera and binoculars, and don't forget the fishing rod, we will provide the lemon and the cooks. Yep, during your lay day, explore the Top, it's your choice – visit the WW2 sites, the Pearl museum and shops, take a chopper ride or charter a boat or tinnie and do some fishing. The Just4Kids Cape York Safari is primarily a camping Tag A Long with a good balance of on site accommodation also available in certain areas. Some locations have a choice of pre erected safari tents, dongas, demountables or DIY camping. Maybe this is a good trip to bring along the 4x4 camper trailer. The Seisia Resort will provide villas, cottages and lodges as well as hut style camping. Once you have registered and paid your car entry, we will issue you with an accommodation list so the first lucky people to sign up will reap the rewards of choosing your accommodation.
