A P R I L 2011

Major sponsors, **Mike and Claire**, who manage our fantastic J4K website, have been donating \$1 every time some one clicks "like it" on <http://www.facebook.com/pages/Australian-Explorer/46347638990>. Great effort guys - thank you so much.

Rainbow Beach to Byron Bay

As a wise man once said "A plan is the base from which all things change" and that was true of our Beach to Bay survey completed late March. We have added a day at no extra cost to our entrants and improved the circuit to include a more diverse type of terrain which should suit all vehicles.

So why not join us and enjoy a Holiday with a Difference whilst supporting areas that were affected by the recent Queensland floods. Our survey was an insight into the difficulties the Tourism operators, and all those people whose livelihood revolves around tourism, are having with the down turn in visitor traffic around South East Queensland. Our Just4Kids Beach to Bay motor trail could not have been better timed and placed to give these hard working people a lift. All our day and overnight locations are waiting for us to help cheer them up. Just4Kids supports our youth so please join the fabulous Beach to Bay event and really enjoy a holiday with a difference. You will experience the world's largest sand island, taste the excellent Stanthorpe vintage and attend a Melbourne cup race carnival in doors at the historic Victoria Hotel in Goondiwindi. Ladies get those hats out of moth balls and be ready for the Gundy fashion stakes and lets hope we all back a winner - funds raised will go to the local PCYC.

On 17th April, the survey team heads to **Alice Springs** to do the first stage reconnaissance for the 2012 Just4Kids Motor Trail - **Red Centre Adventure**. A huge amount of thanks must go to **Vanessa Cordes and Steve (Ratty) Rattray** from **Imparja** for the wonderful assistance they have given us sorting car hire, FOC and discounted accommodation, organising contacts and arranging meetings. Steve might think it will give him a slight edge - but all bets are off on the golf course. It is fantastic that J4K has such a wonderful sponsor partner as **IMPARJA**. Thank you.

Many thanks to **Trevor Brown and Dave & Tracy (P7)** for organising the Hervey Bay Meet and Greet on Sat. 5th March at the HB Aero Club. It was great to catch up with old friends and the kids had a wonderful time. The BBQ was very popular and Trevor's Roller looks a picture.

Dave and Mary manned the J4K stand at the Cowboys Community Day for the first game of the season in March. Dave had Mud Hog on site, along with the J4K Toyota, and it attracted a great deal of attention. The weather has not been very kind to us up North since Christmas and the guys have had to brave rain and wind to deliver the message and continue promoting our events. Many thanks to **Fiona** from the **Cowboys** for allowing us to participate in their Community Group Days at Dairy Farmers Stadium. The Cowboys have been strong supporters of J4K for many years - thank you Fiona.

The heavens opened again for 3 days at the recent Townsville Home Show but Dave and Mary sat it out in the rain and mud. That's dedication for you and we all appreciate their efforts. Our 2 Directors lead by example - thanks guys, you do a fantastic job.

Promoting isn't easy in the rain but at least our stand looked good. It pays to advertise!!

Lee Harrington, our golfing guru, has plans under way to kick start the 2011 Beach to Bay event with a 3 day golfing weekend (19-21 August) in the Hervey Bay/Maryborough area, prior to the commencement of the event. This fun packed golfing adventure will be part of the fundraising for a local family requiring our assistance. Venues will be announced in the next edition. The golf weekend package is **NOT** just for motor trail entrants but for anyone who loves the game of golf and a good time whilst raising funds for our youth. Please spread the word

Dave and Mary Soelberg and Dave, Tracy and the girls (P7) all kicked back at the **Sunshine Coast Caravan and Camping Show, Nambour, 1-3 April**. They enjoyed some fine weather and did a great job promoting the J4K motor trail events. Mud Hog certainly draws a crowd. Dave P7 shared his site with J4K, promoting his 4x4 Driving Courses and Icom radios. **Barrett Communications** in W.A. also supported our stand and J4K has exclusively used Barrett HF radios for their official communications since 2002 and appreciate their generous support. Dave P7 is now an agent for Barrett so check out his website for your UHF and HF radio needs.

Townsville Meet and Greet

There will be a fun get together at J4K Northern headquarters at **JTS ELECTRICS, Unit 1 93-95 Webb Drive, Bohle** on **Tuesday 12th April from 6 pm** for anyone who is interested in learning a bit more about the Just4Kids Children's Charity and our events. Everyone is welcome and please bring the kids. We will have info on the **2011 Beach to Bay** event, flyers for our 2012 events - **Cape York Safari** and **The Red Centre Adventure** and provide a BBQ sausage sizzle. Come along and meet some of our J4K family as it will also be a reunion for old friends to say "hi" and welcome new members. Please see the attached flyer for all details and how to RSVP. Visitors from Brisbane and the Gold Coast will be there and we look forward to meeting you.

WOW - WE ARE ON FACEBOOK - Thanks to Dave P7 and Mike Australian Explorer. Check us out, and to become a J4K friend, all you have to do is click "like it"
