What is the tax-deductible donation used for?

Funds from the Event are presented to disabled, sick and disadvantaged children or their respective organisations along the Just4Kids Motor Trail. We also make donations to the various schools we visit to help with any special projects they may be involved with. Additional funds are distributed throughout the year to Just4Kids projects and through the Just4Kids Youth Support Program

Can my entry and other associated costs be sponsored by an organisation?

Yes, you can obtain sponsorship for your entry and costs if you wish, the majority of entrants do. The \$1,000 donation per person is 100% tax deductible. Details about Just4Kids and their charity status and registration forms are available on the website.

Do I need a four wheel drive?

The only section on the 2011 Beach to Bay route that requires a 4x4 is Fraser Island. We are currently working with Sargent 4x4 Hire to this end for short term hire for those who have two wheel drive.

Otherwise a well set up car, AWD and/or 4x4 will enjoy the 2011 route.

All Vehicles will require additional safety features, the list can be downloaded from the web site or call the Motortrail Director on 07 47591450

Can entrants dress in a theme, as well as decorate their vehicle?

Yes, as we will be visiting schools and large groups of children, a theme for your entry is encouraged and POINTS are awarded for the most innovative themes.

Do I have to provide my own meals and arrange accommodation along the way?

No, this is organised by the volunteer committee and all meals are part of your entry costs (please see above).

If you have special dietary needs arrangements will be put in place to manage your requirements. You will receive a form for this on registration which must be filled out and all personal information is held in a sealed envelope by our medic.

All you will need to do is just relax, have fun and enjoy the day in the country. Your accommodation will be pre organised and a list sent to you upon receipt of your entry form and the \$750 car entry. It is up to the individual entrants to book and pay for their own accommodation using this list.

You can travel with an off road 4x4 campervan if you wish to reduce your costs. You can also tow a camp trailer. All towns we are visiting have camping grounds and/or caravan parks. If road conditions change it may prevent off road campervans from travelling on the Just4Kids surveyed route. The Motor Trail Director will advise well in advance as Just4Kids has a scout team to check conditions each day.

Will there be mobile phone coverage in the towns we are visiting?

Your digital phone will be limited in its coverage in some areas.

The Telstra Next G during the survey had coverage in most areas. Just4Kids Satellite Phone 24/7 numbers to receive or send a message will be issued at a later date.

A list of all overnight stops, with the address and phone number of the Motels and Caravan/camping Parks will be provided.

Most officials will have satellite phones if you need to make an emergency call from a remote area.

Is there support if my vehicle breaks down?

Yes, there are service crews to assist you if you break down.

Driving to the conditions of the road, limited speed and a light weight Vehicle makes for a trouble free event.
