Meet some of the great people who join us each year on the J4K Motor Trail. They come from every part of Queensland and Australia—from the Gold Coast, Brisbane, Hervey Bay, Maryborough, the Sunshine Coast, Ayr, Townsville, Cardwell, Rockhampton, Mt Isa and Tasmania and Grafton (NW), and beyond. They are business people, married couples, friends, families and those that have very special reasons for travelling with a Children's Charity. They come because they love to have a wonderful time discovering parts of the Outback you would not see unless you travel on a pre organised motor trail, and have the security of support from officials who have many years of experience in this field. They come because they love adventure and doing and seeing something a little out of the "norm". But they also come because they care for the sick, disabled and disadvantaged children that the Just4Kids Children's Charity Motor Trail can assist through our fundraising efforts and local community functions whilst on the Event.. They come to see the smiles on children's faces and the happiness on their parents faces when we take the time to stop and lend a hand.

So.....why don't you join us and do it for the kids, and have the trip of a lifetime at the same time

CAPE YORK—A journey to the Top of Australia

Weipa Walkabout with Mel "Cowboys Gift to Isabella"

Young **Isabella King** has had a lot of local and state-wide attention in the last few months and has become almost like Weipa's own little celebrity. Although she is very shy about all of the fuss, she is still excited to see her pictures in newspapers, says mum Maine.

On Friday 8th January Isabella was presented with a very special gift- her very own laptop computer donated by the Toyota North Queensland Cowboys. The Cowboys are just one of the many generous sponsors of The Pacific Rim Just 4 Kids charity, and upon hearing of Isabella wanted to give her the laptop to help her out. Isabella now can bring her computer with her to help keep her busy while she visits the hospital for medical treatments. Isabella was also presented with a pack of Year 2 school supplies by Newsagency owner, Jason, for her return to school.

Just 4 Kids is a volunteer powered organisation formed to help out kids who are sick, disadvantaged or disabled. Just 4 Kids have many great supporters, and organise events such as Motor Trails (car rallies) and auctions to raise funds for kids in need. Win Television's Mark Louez and Just 4 Kids Secretary

Kerin Hannan visited Weipa late last year in preparation for the charity's 2010 'Cape York Safari' Motor Trail which will tour through the region.

While in town they were told of Isabella King, and a group of locals got together with Kerin and began to organise a special event to raise much needed funds for Bella when the Motor Trail comes to town in August. Mary Coffey (Carpentaria Contracting) and Terry Garlic (Weipa Bait and Tackle) amongst others, have combined efforts to organise a function at the Albatross Hotel on Sunday 22nd August, followed by a Fishing Fun Day on Monday 23rd. Trevor Brown from Hervey Bay is our latest "new" recruit and is joining us on this year's trip of a lifetime—Cape York. Trevor has been on several Variety Bash's but now feels its time to relax with a smaller more intimate group, and enjoy the countryside. Trevor is President of the **Hervey Bay Aero Club** where we will be holding the **Meet and Greet on Sunday 7 March**. He has kindly offered the club for our use and is providing the BBQ FOC for us. We are not too sure if he is bringing along Dame Edna or Queen Bess in his Roller but we know it will turn heads. It is a 1968 Rolls Royce body fitted onto a Holden one ton chassis with a Ford 351 Windsor and 4 speed AOD Transmission and a Ford lsd rear end. I guess that will make sense to all you car buffs. It is very impressive.

Bring along your car, as long as it has been set up well for off road running. High clearance vehicles are welcome and there are alternate routes on this year's event. Take the high road or the low road but know your vehicle can handle it!

NORTH QUEENSLAND TOYOTA COWBOYS PUBLIC FAN DAY

Around 8,000 Cowboys fans turned out for the Public Fan Day on Saturday 6 February. *Fiona Pelling, Cowboys Marketing and Promotions* guru and keen supporter of Just4Kids invited us to come along and erect a stand to promote awareness in the Townsville area. *Dave and Mary Soelberg JTS Electrics* were there with the pink car and waving the flag. *Nev and Kathy Goggi* brought along about 400 bananas and the same amount of yellow balloons which proved very popular with the kids. They have started up a petition—"only buy Aussie bananas". Along with the Just4Kids banner, WIN also flew their flag and gave away balloons. Mark and Nev blew up over 300 balloons using their TJM compressors—what would we do without our good friends, TJM. A big thanks to *Vic*, Kath's dad, who picked the bananas from his farm to hand out on the day. A huge J4K thank you to *Dave, Mary, Nev, Kath and Mark* who gave up their Saturday to help promote the 2010 Just4Kids motor trail and the Children's Charity.

If any of you are doing any awareness, fundraising or promotional events, please let us know as we are always happy to receive an article, with photos, for our newsletter editions.
