EDITION 25

S E P T E M B E R 2011

The August 2011 Just4Kids Motor Trail event - Beach to Bay, has now concluded and we would like to take this opportunity to thank our entrants, supporters, sponsors and officials for their support. The event was a great success with fundraising functions, auctions and even a horse race or two. These functions allowed us to donate funds along the way and the local communities enjoyed our stay in their town, joining us on many occasions and getting into the spirit of the night.

A special mention to **Toyota Brisbane** for lending us the **Toyota FJ Cruiser**. It was a hit with everyone, especially the school kids. Also to the gang at **Sargent** who once again lent us a 4x4 Nissan which transported the Golfing Super Heroes. Congratulations to Car 55 who managed to stay themed in their super hero costumes for most of the Event. Well done!!

Our theme nights were fantastic with recyclable fashions worn at the **Jandowae Bowls Club**, where, due to the weather, night bowls turned into a game of indoor golf; a day at the Melbourne Cup at **Gundy** at the awesome **Victoria Hotel**; in the Italian mood at **Ballandean Estate Winery**; and a Survivor night, complete with Tribal Council, at **Kingfisher Resort** on **Fraser Island**, which was hilarious. The J4K team were well and truly humbled by the Kingfisher tribe with some very dubious results all round.

Our function in **Byron Bay** with the **Northern Rivers Community Foundation** was enjoyed at the beautiful Bangalow B&B. An interesting information night followed by an auction saw much needed funds be donated to the **Byron Shire Early Childhood Intervention Service**. As future motor trail events will see us venturing out of Qld, it was good for us to start close to the Qld border with the NRCF which covers the Northern Rivers community of NSW, including Kyogle, Lismore and Grafton. NRCF are a widely respected philanthropic foundation and J4K are proud to be associated with them.

We finished our event with a 5 star dinner at the **Harvest Café** at Newrybar (Byron Bay). The attire was black and white and everyone looked resplendent. The point score winners, various awards and certificates were presented amongst much laughter and good cheer. The feedback from this year's Event has been heart warming as everyone seems to have enjoyed the different style route, the comradeship and the local hospitality. Thank you for your support and we look forward to seeing you again next year.
