Tom Polley from the Rockhampton branch of the South Pacific Tae Kwon Do Club bought a group of his very talented kids along to the Rocky Meet and Greet (more on that later) and gave a 20 minute demonstration of the martial arts. Tom and his team do a wonderful job supporting the children and encouraging them to be strong of spirit and have confidence in who they are. Just4Kids was only too happy to help support the Rockhampton South Pacific TKD with a donation cheque for \$500.00.

Just4Kids would like to extend a very special BIG thank you to Bernie Tobin and Followmont Transport for supporting the Charity and our goodies. For the past 3 years Followmont have delivered our parcels, packages, boxes, parts and auction items all over Queensland and beyond. Not one item has gone missing and every parcel has arrived on time and in perfect working condition. We cannot possibly do what we do for disadvantaged youth without the support of people like Bernie and his company, Followmont Transport. Thank you from everyone on the J4K team.

We have a winner—**Murray and Pam Kenward**, all the way from Western Australia, are the lucky winners of the **TJM/J4K in store promotion** which ran in every state of Australia from October-December 2011. Murray and Pam will join us in July on the **Cape York Safari** and are very excited about becoming the furthest away new members of the Just4Kids Motor Trail Family. The Kenwards are hiring a **Sargent 4x4** with J4K's special rates, thanks to **Rob Ryan and Brooke Bishop**. Murray works as a Contract Administrator for a construction company and is currently working on Barrow Island which is located 1250km north of Perth. Interests are fishing camping and 4 WD. Pam works part time for a wholesale jewellery company and designs and makes her own jewellery. Should make for some nice auction items on the Cape event. Well done Murray and Pam and thank you to the TJM team for your continued support.

TJM have long supported J4K—**Glen and Tony in Townsville; Warwick and Jason in Cairns; Chloe, Don & Mike at TJM Brisbane; Bill (retired) Coopers Plains;** and all the stores who ran the in store promotion. Recently we met beautiful **Caitlyn from Laceys TJM in Rocky**—3rd generation of Laceys and an expert in every aspect of 4WD and camping gear. They are a great team at TJM—please visit your local TJM store for ALL your Cape and Red Centre requirements.

Yasi - one year on

'Yasi Spirit is Strong'. So said the tabloids and so said the 600 people who walked through the doors of the **Cardwell Coastguard Building** on the anniversary of the biggest cyclone Australia has ever experienced. Our good friends and supporters, **Nev and Kath Goggi** were instrumental in putting together this amazing day to 'celebrate' FNQ's survival and show the world they are 'made of tough stuff'. J4K were happy to donate \$500 to the **Cardwell Lions** to help rebuild the children's playground at the Cardwell Community Centre. Cardwell is moving forward!!

The entire team at Just4Kids would like to wish **Simon Clarke** every success in his new venture. Simon has been instrumental in assisting J4K to move forward in a positive way and has always supported us whenever and wherever he could. We will miss him but we know he has left his legacy of support with **Keith Platten**, who has already shown us that he will continue the wonderful relationship J4K has with **Toyota**. Oh, What a feeling!!

Meet and Greet

The recent **South East Qld Meet and Greet**, held at **Di and Keith Clarris's** home at Ningi was a great success with many new Cape and Red Centre entrants popping in for a BBQ and to ask many questions of the 'old' timers who were there to assist. The weekend culminated in the Pacific Rim Just For Kids Inc. AGM and congratulations to **Tammy Van Der Togt** for being elected as Treasurer and Director. Nominated and accepted to the Board—Keith Clarris, Chairperson; Mark Louez, Motor Trail Director; Phil Binder, Grants Director; and Kerin Hannan, Secretary/Director. Di Roberts was nominated and accepted onto the Working Committee.

Ron and his staff from the Zebra Group

Many thanks to **Joanne Bell and Greg Fisher** (and little Cameron) for organising the Rocky Meet and Greet at the Qld Cancer Council offices. It was the perfect venue for a fantastic day. Over 80 people attended the social get together and enjoyed meeting new and old friends. They came from as far away as Nebo, Mackay, Blackwater, Gin Gin and Hervey Bay. We were entertained by the Rocky South Pacific Tae Kwon Do group, chatted about fundraising methods, dined on Greg's BBQ cuisine and Dave P7 gave an informative talk on vehicle requirements for the events. The highlight was **Pam and Mal Olive** receiving a \$1500 donation from **Ron Bowes, Managing Director of the Zebra Group**, which will help them reach their fundraising goal. Thank you to everyone who came on Sunday. You are a great group of people—fun, community spirited and generous. Well done!!

2012 Fully Booked

Thank you to everyone who has entered this year's CAPE YORK SAFARI. We know you will have a wonderful time visiting one of Australia's most remote and iconic locations. Great adventures await you and over the next couple of months you will receive many emails to keep you informed and up to date with what is happening on your Adventure of a Lifetime. We took our last entrant today so now it is all go and preparation for your Cape trip. Read the check list, prepare your vehicle, theme your car and yourselves, enjoy your fundraising, but most of all, please remember, we are doing it for the less fortunate kids of Queensland.

If you missed out on 2012, don't be disappointed, we are doing it all again in 2013.

'You can't beat the power of the media' is an expression often used by those of us who organise events. The WIN Qld Television network has been with J4K for 7 years now and has been the driving force for our ever growing success and awareness, which has culminated in this year's overwhelming response to our 2 motor trail events. We have had the pleasure of working with a great group of people at WIN—Marco and Meg in Townsville; Michelle and Carl in Rocky. It is with much sadness that we say goodbye to Michelle but wish her every success for the future. We look forward to working with the new team in Maroochydore and continuing our long term relationship. Thanks WIN from the J4K Team.
