11 day Simpson Desert Trek | Fully Catered | Supported Event | Optional Extra - Finke Desert Race

*The Just4Kids Motor Trail - **TJM** Simpson Desert Trek is the 4x4 adventure you have been waiting for. Yep! Tick it off your bucket list now by registering early as our numbers are set for around 15 vehicles, due to the support that we will provide. Starting from **TJM** Toowoomba we will cross Queensland's southern border towns before arriving in Birdsville where we will have a day to prepare before starting our challenge to cross the Simpson Desert as a team. Many dunes later we will arrive on the western side and enjoy the hospitality at Mt Dare Station before travelling to Alice Springs in time for the start of the famous Finke Desert Race which is your *bonus optional extra for being part of the **TJM** Simpson Desert Trek.

Day 1 Starting from **TJM Toowoomba** we leave this beautiful garden city to drive the black top to overnight by the Balonne River in **St George**. **Day 2** and we lunch at "Rocky" Station, **Cunnamulla** before joining the locals at a function in Thargomindah. **Day 3** we follow the Bulloo River, enjoying the hospitality at "Tickalara" Station and overnight camping at the **Burke and Wills Dig Tree** campgrounds. **Day 4** we cross the Qld/SA border into **Innamincka** then traverse the famous **Walkers Crossing** and **Birdsville Track** to arrive in **Birdsville**, where we will enjoy a lay day and time for maintenance and preparation of vehicles ready for your assault of the mighty **Simpson Desert**.

Days 6, 7, 8 and 9 will test our team spirit, sense of humour and vehicles, as we take on the hundreds of Simpson Desert sand dunes, including **Big Red**, assisted by our **Alice Springs TJM Recovery Team**, on our way to civilisation and the **Mt Dare Roadhouse**. **Day 10** and we follow the red gibber roads to **Finke**, then onto **Kulgera** and **Erdunda** before we hit the bitumen, which I am sure you will appreciate after days in the sand dunes, arriving at our final destination, **Alice Springs**.

Day 11 will conclude with a special dinner and presentation function at one of Alice Springs' best locations, all included in your package.

The **Alice** has a verve to it at **Finke Desert** race time and the adventure does not need to stop at the completion of the **TJM Simpson Desert Trek**. You will have several options available to you to become part of **Finke** culture if you choose to remain in Alice for this world class event.

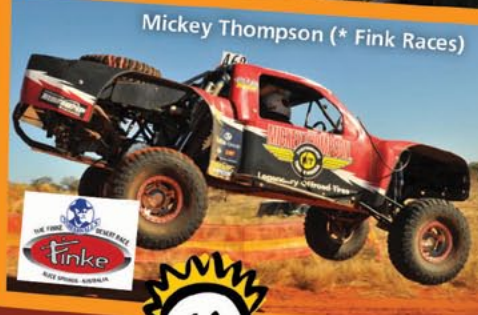

Alice also offers a great Golf Course, Casino, Australia's best Truck Museum and the historic RFDS headquarters just to name a few.

The Difference

Apart from all the fun, laughter, music and dirt track driving, there is a very serious side to the **TJM** Just4Kids Motor Trail. Our entrants and supporters raise funds through various functions prior to our event.

These funds are then distributed along the route to children and their families who need a helping hand, part of your **TJM** Just4Kids entry fee includes a tax deductible donation component, which is used for this support.

Many local communities have benefitted from our visits and it is a wonderful feeling witnessing the joy and gratitude in their faces. We are always welcomed back with open arms.
