Pacific Rim Just For Kids Inc., aka the Just4Kids Children's Charity, is a not for profit children's charity organisation run by volunteers. Our mission is "to provide life saving and life enriching assistance to children wherever we can. We are committed to enabling disadvantaged, disabled and sick children to experience a better quality of life by providing goods and services through the working efforts of volunteers and generous contributions from the community". We are a Queensland registered charity and are endorsed as a deductible gift recipient with the ATO.

We are committed to supporting families in need wherever we can. To do this, we need to raise funds. Just4Kids does not receive Government funding which means we rely entirely on donations from generous members of the community to fund our efforts to assist children in need, their families and/or carers.

A \$20 donation can help a child with special needs to learn with assistive software to increase their learning potential in the classroom

A \$100 donation can enable an infant to breathe easier with a nebuliser or a child to gain access to Occupational Therapists, especially in remote areas.

A \$500 donation can help us organise a specially built wheelchair for a child with a severe disability.
