The survey team have recently returned from our final recce. Everything is now in place for what should be an absolutely fantastic trip. Fine weather was the order of the day and we could finally complete the Birdsville-Innamincka-Thargomindah leg of the Event. What an amazing journey it is across Walkers Crossing and into the desert town of Innamincka before traversing rugged landscapes to arrive at a community function in Thargo. There is still time to register for this year's event if you have not already done so. Please contact us as above if you want to join the best fun on 4 wheels travelling through our wonderful country and meeting the exceptional people who live and work in the Outback.. This is an adventure you will not want to miss

The Just4Kids Motor Trail Survey Team caught up with our Toyota Gympie Muster family from 2008 whilst we were in Quilpie recently. Mum Michelle Murray and 9 year old Fiona were the invited guests of the Muster last year and had a wonderful time. Unfortunately "Yambutta" is still in drought but the family remain optimistic that good rainfalls will come eventually.

Outback at Isa

**Brian Atharinos, Manager of the Outback at Isa Centre**, has very kindly offered the Just4Kids Motor Trail Entrants a 25% discount off all attractions at the Centre, including the **Hard Time Mine Tour**. This tour takes approx 2 1/2 hrs and is an amazing journey into the very heart and soul of Mt Isa. If you know you are arriving in Isa early enough to take advantage of this fantastic offer, please book early as these tours fill up very quickly particularly in peak season. To book, phone Outback at Isa on 4749 1555 or E: [manager@outbackatisa.com.au](mailto:manager@outbackatisa.com.au) . You will need to produce your J4K ID Badge to receive the 25% discount. Our Meet and Greet will be held in the Outback at Isa Art Gallery on Tuesday 18th August at 3 pm but we will let you know more about this in the coming weeks. Mt Isa is far more than a mining town, so if you arrive early please drop into the Isa Experience and pick up their tourism information package. It will make your stay there that much more enjoyable. We can recommend taking the time to have a good look around this truly historical Queensland town. Mt Isa is the birthplace of Australian champions like Greg Norman and Pat Rafter, and is host to Australia's largest rodeo. Visit the underground hospital, the Royal Flying Doctor Visitor Centre. Travel out to Lake Moondarra or fossick at Mica Creek. Enjoy your time in the Isa.

**Liam Rigg** is Economic Development & Corporate Community Officer with Mt Isa City Council. Through his efforts of working with us, and with the assistance of Cheryl Miller CEO Bush Kids, J4K has been able to secure a cash sponsorship from Isa Council to help promote awareness and deliver to the public through our WIN TV programme, the image of Mt Isa as more than a mining town. This will allow us to create a fantastic start to the 2009 Just4Kids Motor Trail. Thank you Liam and Mt Isa Council from your friends at J4K.

It's definitely a work in progress but the **Fat Bastards** have promised Mary and Christine they will have their vehicle ready by August!! Over the past few months David and the team from **JTS Electrics** have been offering their support to Paul, a JTS employee, as he struggles with illness. **Toyota** kindly offered Paul a seat on the **Cowboys "Camry Couch"** at a recent home game. Toyota also provided tickets into the corporate area and David and Mary took 6 of their staff along to the game. Unfortunately the weather was not too kind to them but they assure us they had a good time with great company, rain coats and plenty of scotch and coke. Once again our friends at Toyota are supporting J4K and from Paul, David and the JTS Team—a very big thank you.

## THE COLONIAL GOLF COURSE

Paradise Springs Drive, ROBINA

SUNDAY 17 MAY

For a great game of golf, lots of fun and prizes, you are invited to join the **Just4Kids Children's Charity Annual Golf Day**. Please contact Shirley on 0423125251 or Kerin on 0419790034 if you would like to be part of the action and help raise funds for the disabled and disadvantaged kids of Qld.

### FUNDRAISING FOR THE JUST4KIDS YOUTH SUPPORT PROGRAMME

Any funds raised over the \$1,500 car and donation entry into the Just4Kids Motor Trail, will be allocated to the Just4Kids Youth Support Program. The J4K Charity Golf Day on the Gold Coast is in its 6th year and has raised over \$25,000 for the disabled and disadvantaged kids of Qld. Among the groups and associations we support are the ABAQ programme for severely autistic children, the Parents Retreat, the Mikayla Rose Adams Foundation and the Bush Children's Health Scheme. We encourage all our entrants, supporters and sponsors to assist with our fundraising so that we can support these, and individuals and families, who seek our help through the Youth Support Programme. Any businesses, groups or individuals who sponsor Just4Kids will receive great awareness on our website, newsletters and our WIN Television on air promos. There are many ways to raise much needed funds including BBQs, balls, car clubs (e.g. Townsville Rodders), a bike run, sports clubs and, of course, golf days. Our Cardwell entrants, Nev and Kath Goggi, are organising a fishing competition. Please do not hesitate to contact us if you need any assistance in putting together a J4K fundraising event.

Serious 4WD Equipment

### VEHICLE EQUIPMENT— *Mark's Tips, sponsored by TJM Townsville*

The 2009 Just4Kids Motor Trail will go to the most remote locations ever. For safe free motor-ing, my first advice is to always drive to the prevailing conditions.

Secondly, prepare your vehicle accordingly to allow you to have a fun and trouble free trip. As you can see in this photo, **Glen from TJM Townsville** and I are holding the sand pick which we luckily had on board and used as a mud pick to retrieve the Toyota on our way to Innamincka when unfortunately we encountered quite heavy rain. A big thanks to TJM for the good advice to take the sand pick along.

The road conditions will be moderate and you will not slip and slide as we did so a good set of tyres, minimum of 6 play should be fine. Big Red will be a challenge for those of you who will want to take up the challenge. We will have plenty of support if you become sand bogged. **TJM Mt Isa and Townsville** are on board this year and are promoting the 2009 Event throughout their stores.

Fathers Day is coming up so please visit your local TJM store and shout yourself a new snatch strap and a couple of shackles. You may need them in the sand. Remember a snatch strap is dif-ferent to a tow strap. TJM sell a combined pack/bag with the lot including a very important air pump and tyre gauge and caps. To all our south Qld entrants, **Bill Hicks at TJM Coopers Plains** is the man to see. He is a wonderful supporter of J4K and thanks to Bill, Kerin now has a very snazzy nudge bar for all her aerials and a sump guard as extra protection for the Outlander.

Meet "Bluey". "Puppets to the Rescue" is the brainchild of civilian policewoman Wendy Cochrane, who will be joining us from Mt Isa to Birdsville. "Puppets to the Res-cue" is an early intervention project which aims to help break the cycle of violence that is passed on from the old to the young, especially within Indigenous communities. Wendy and Bluey are joining us for a more light hearted approach this time and will entertain our kids and the chil-dren we meet at the schools and community functions but at the same time sending a serious message to the children that they have the right to feel safe. They are both lots of fun and we know you will enjoy their company.

### CAPE YORK IN 2010

If you are truly looking for the adventure of a life time, you cannot miss the Just4Kids Cape York trip in August 2010. The Survey Team will be venturing up to the Cape in October to map the route and with the fantastic help from War-wick, TJM Cairns and Anthony Gomes, Cape Yorker Magazine, we know we will put together a motor trail that will be remembered. Fishing, trekking, amazing photography opportunities, camping, meeting the amazing people from the area - it's all there. Please visit our website [www.just4kidsmotortrail.com.au](http://www.just4kidsmotortrail.com.au) for all information on our 2009 and 2010 events.
